SPECIAL TRAFFIC ADVISORY: Route 3 Widening 10/5/2018

Route 3 Widening

On Saturday, October 6, 2018, the DPW contractor, Black Construction, will be installing the new storm drain line across Bullard Avenue between 7:00 AM and 6:00 PM. Two-way traffic will be maintained. Motorists travelling along Bullard Avenue are advised to drive cautiously through the construction zones, observe all posted speed limit and construction signs, and carefully heed flaggers.

Motorists are advised to heed flaggers, follow alternate signs, drive cautiously through the construction zones, observe all posted speed limits and construction signs, and expect longer delays. Adjusting drive times when feasible are encouraged.

Stay Safe During Typhoon Yutu

(Tamuning - Wednesday, October 24, 2018) The Department of Public Works (DPW) reminds the public that in the event of power fluctuations, traffic signals may be shut down or revert to blinking status. DPW crews are monitoring the storm and should any failures take place, corrective action will be made as soon as it is safe.

Additionally, flooding in low-lying areas may occur due to heavy rains from Typhoon Yutu.

The DPW appeals to the public to remain indoors and to keep safe.
