MEDIA Release: DPW to Offer WORK ZONE Training to Contractor Community

(Tamuning, Guam, June 6, 2019) In an ongoing effort to provide more capacity building opportunities for the contractor industry, the Department of Public Works in partnership with the Federal Highway Administration (FHWA) will be hosting a Work Zone Training Workshop. The Workshop will be offered free to the contractor community, as well as various GovGuam Agencies (Utilities, Safety, Emergency). The Manual on Uniform Traffic Control Devices (MUTCD) will be addressed for Guam's roadways.

Course Instructors: Mr. Duane Thomas, P.E – Transportation Engineer, FHWA Resource Center
 Eric Ferron, P.E. – Civil Engineer, FHWA Resource Center

The Training will be held July 12. Details of the course are as follows:

Course:	Work Zone Training
Dates:	July 12, 2019
Course Description:	The Work Zone Training will cover fundamental principles of work zone safety that intertwines with the MUTCD; including temporary traffic control, special needs, Maintenance of Traffic Plans, and work zone inspections. Federal Highways will share best practices for having a safe environment for all construction workers when projects are on the Territorial Highway System.

Seats are subject to availability.

Attendance is free however we ask those interested in attending to register no later than June 30, 2019. Please note seating is limited.
